## Second Floor Waterpark and Galley Restaurant

### SMOKING AREAS:

There are 2 designated outside smoking areas. These are located at both far ends of the building. Smoking is **NOT** allowed at the front entrance, steps by the waterfall, outside of the Galley entrance, or any location inside.

### WATERPARK:

Towels are provided outside of the Galley. We recommend showering before entering the waterpark to control chloramine levels. Lockers are located inside of the waterpark.

Our mission is to provide the best family friendly indoor water park and hotel experience at a great price. We guarantee that each guest will be treated with a positive attitude at every point of contact and hope to create a family tradition, one family at a time!
